Adding players to your team roster

- The player(s) will now show under the team.

- You can also add player's jersey number here

The screenshot shows a web interface titled 'Roster Details' with a 'Back' button. Below the title is a section labeled 'Players' with an 'Add' button. A table with the following columns is displayed: Member ID, Jersey Number, Player Name, and Emergency Phone Number. The 'Jersey Number' column has a red arrow pointing to its input field. The 'Player Name' column has a dropdown menu with 'A' selected. The 'Emergency Phone Number' column has a red button with a person icon.

- You can select the role of the player by hovering over the grey button.

- To remove a player from the team, click on the red button on the right-hand side.

Adding officials to your team roster

- You can follow a similar process to add coaches and team secretaries to your team roster
- Click on the coaches button at the bottom of the page, under 'Registered Events'.
