## Safeguarding Criteria

Volleyball England requires learners to have a valid Safeguarding and Protecting Children certificate at the time of certification of the Coach Award.

Volleyball England recognises there are many safeguarding training workshops available however we will only accept training courses for the purposes of a Coach Award qualification (or higher) where the training has been endorsed by Chartered Institute for the Management of Sport and Physical Activity (CIMSPA). CIMSPA approval requires the training course to meet the Professional Standards which outline the Technical Specialism of Safeguarding and Protecting Children and the essential knowledge and skills that are needed to meet the requirements of the sector minimum deployment standards.

Details of safeguarding training endorsed by CIMSPA against the Safeguarding and Protecting Children Professional Standard can be found here - <https://www.cimspa.co.uk/directories>

You can gain Safeguarding and Protecting Children certification by attending a course provided by:

- UK Coaching. You can search for courses [HERE](#)
- Sport Structures. You can search for course [HERE](#) There is 10% discount using code: VOLLEYBALLSPC10
- The NSPCC. You can search for courses [HERE](#)
- Your local county sports/active activity partnership. You can find your partnership [HERE](#)

Training can be either face to face or online. Training should be updated every three years.

If you are a professional, employed in education or social work, working with children and undertake regular safeguarding training you may be exempt from the requirement to have attended CIMSPA approval training. We recommend that you keep a record of the training (date, content and provider) and have a certificate of attendance.
