

2016 AGM Elections

The following positions are due for election at the 2016 Annual General Meeting being held on 23rd July 2016 at SportPark, Loughborough University:

The selection panel appointed by the board have reviewed all nominations, and applications where appropriate, and recommended to the Board that all nominations be put forward to the election at the AGM. The recommendations from the selection panel have been approved by the Board and the following candidates are being put forward by the Board to the elections at the 2016 AGM:
