Introduction to the Regulations

These Regulations govern competitions organised by the CWG (CWG) of Volleyball England (VE) for the period of 1st September 2024 to 31st August 2025. These Regulations are the only regulations specified and no other publication is applicable, save the FIVB Rules of the Game ([Regulation E 1](#)) and the relevant Codes of Conduct. CWG reserves the right to issue appropriate amendments.

For Under 14's, Under 15's, Under 16's, Under 18's, Inter Regional, Student Cup and Sitting indoor volleyball competitions, please refer to the Volleyball England website for current regulations.

These are the regulations applicable to indoor volleyball organised by VE. VE will issue further regulations applicable to Beach Competitions.

Competitions regulations should assume the following cascade; FIVB rules of the game unless modified by NVL regulations, unless modified by specific Cup & Shield regulations, unless modified by specific competition regulations.

It is important to note that not every circumstance can be covered in these regulations and in that event the appropriate Divisional Lead will make the necessary decision. This decision can be appealed.

In writing these Regulations we have tried to ensure that the result of any volleyball match is decided on court and within the spirit of the game.

If you believe that the regulations are unclear, please ask for a ruling in writing before making any decision, as stating the regulations are unclear will not be grounds for appeal.

If you wish to make a regulation suggestion, please fill in the form [here](#). Please note that these suggestions will not be reviewed until February 2025

Section B. Organisation of Fixtures Regulation

B 1. Pre-playing Season Fixture Arrangements

Teams will be provided with the draft fixtures well in advance. VE reserves the right to host, or have hosted, any fixtures centrally, and these will be advised at the time of the draft fixture publication. On receipt of the draft fixtures, teams may enter mutual discussions and request agreed amendments to the proposed fixtures in .

Any such proposals must be formally agreed by both teams confirming the new date, time, and venue, in line with the NVL Timeline for the season.

No fixture that is scheduled outside of those permitted will be accepted by VE unless accompanied by the formal agreement of the opposition. Any such changes will need to be approved by the CWG.

No team entered in the Cup/Shield will arrange an NVL match onto any Cup/Shield date during the draft fixture process. Any matches being moved onto a Cup/Shield weekend require the approval of the Cup Lead. Match rearrangements during the playing season will be considered by Divisional Leads considering the teams continued participation in the Cup/Shield. After the amended draft fixtures have been returned to the Hub, no other changes will be allowed except under very exceptional circumstances.

B 2. During the Playing Season

i. Matches must be played on the date, at the time and at the venue specified in the National Volleyball League fixtures section of the VE website, and not any other publication. If there is an error or a fixture has been agreed to be changed by the CWG, then the correct details will be updated on the website.

ii. Where a club has two or more teams in the same NVL Division, the CWG reserves the right to schedule both fixtures between the teams as early in the playing season as possible.

iii. **Requests for Rearrangement**- Only under very exceptional circumstances, fixtures may be rearranged with prior consent of the appropriate Divisional Lead and the opposition. Any such proposals must be agreed in writing by both teams, and confirms the new date, time, and venue. Requests for rearrangement must be made to the Divisional Working Group Lead at least 21 days prior to the original fixture date. Requests with less than 21 days' notice will only be considered in the most extreme circumstances The Hub and the Referee Co-ordinator must be kept informed of the changes. Teams must be aware that sourcing Referees for changed fixtures may well be problematic and must be prepared to source their own. Requests to re-arrange a fixture due to holiday arrangements is not considered to be a very exceptional circumstance.

iv. **International Competitions**- Where a team has 2 or more players involved in international competition, application may be made to the CWG for rearrangement. Application must be made as soon as any conflict is known and, in any event, no later than 21 days prior to a match. It is stressed that this rearrangement is discretionary. This provision does not apply to International Beach fixtures.

v. **Approval requirements for rearrangement**- A rearrangement will only be approved when a fully justifiable reason is provided, and a new date has been arranged and agreed by the teams involved. Match start times do not need agreement from both teams, unless they are outside of the times specified in the NVL Regulations. Where teams cannot agree a new date then the appropriate Divisional Lead will specify a date on which the rearranged match will be played, or the original date will stand.

vi. **Postponed Fixtures**- Where a fixture is postponed due to exceptional circumstances beyond the control of the teams, then any additional costs incurred in restaging the fixture shall be equally shared between the teams i.e., Sports hall costs, Referees and actual travel costs. Travel costs are to be based on travelling from your closest home venue.

vii. **Fixture Alternations**- Where match Referees were appointed by VE, and the date, time or venue is changed, the original home team becomes responsible for notifying those Referees and the NVL Officials Group Member of the change and for appointing suitable replacement Referees, if

necessary. Such changes to date, time or venue must be approved in writing by the appropriate Divisional Lead. Normal Match Confirmation procedures will then apply.

viii. **Cancelled Fixtures**- Where a match is cancelled at short notice then the home team is responsible for ensuring the Officials are aware of the cancellation and communication has been received to acknowledge this. If the Referee travels to the match, then full remuneration shall be made as if the match took place.

ix. NVL fixtures cannot be played after the end of playing season date of 7th April 2025. Any such requests will be under truly exceptional circumstances and will be decided by the CWG.

x. COVID is not normally seen as an exceptional circumstance.

Section C. Registration

C 1. Players

- i. All teams should register a minimum of 8 players by the 1st September before the start of the playing season. A valid registration requires a player to register via [VolleyZone](#) for the appropriate NVL Player Registration. The player must also be aligned to their NVL Club, and the Club's specific Team Roster on [VolleyZone](#). Failure to adhere to the deadline may result in a £25 administration charge.
- ii. It is the responsibility of the team or club of a newly registering player to ensure the eligibility of the player to be registered. Players who are subject to transfer requirements must be correctly transferred. Player registration information for the previous seasons is available on the [Volleyball England website](#), recorded in [VolleyZone](#) and from the Hub.
- iii. Clubs with more than one team may delay allocating their players to a specific Team Roster on [VolleyZone](#) until a week before their club's first match. However, players must all be registered by 1st September. It is the club's responsibility to ensure that the players are correctly registered on the Club's specific Team Roster for the team that they will play for in the NVL on [VolleyZone](#) before they play.
- iv. Players cannot be registered after 1st March during the playing season, except with the express approval of the appropriate Divisional Lead. (This will only be permitted in emergencies to enable games to take place e.g., where less than seven registered players are medically fit or are available to play. Written confirmation of registered players non-availability will be required before agreeing to an Emergency Registration). The [emergency registered player](#) will be eligible to play for the team for the remainder of the playing season but will not be able to play up for another team.
- v. In any competition season, no player may play for more than one club in the same competition unless they are officially transferred. Except under very exceptional circumstances a player may only transfer once during any NVL competition season. No player may play for different teams in a cup competition (Cup and Shield are a single competition), under any circumstances. Where clubs have two or more teams in the same competition, a player will become 'Cup tied' to the team they played their first cup match with, regardless of transfers and the playing up regulation. Transfer regulations apply to movement of players between different teams within the same club.
- vi. A junior player (Under 18 on 1st September of the current competition season) playing in a junior competition may also play for their club in a senior competition, providing that they have registered for the correct NVL Junior Player Registration.
- vii. Teams can have up to 12 players and additionally up to 2 Liberos listed on their Team Sheet (there is no limit to the number of players registered on the Club's specific Team Roster on [VolleyZone](#)).
- viii. Player Photos on [VolleyZone](#) must be of the players wearing the same team kit. Photos must be high quality and zoomed in to show head, shoulders, and team badge, across all divisions.

C 2. Technical Members of the team

- i. Any other personnel needing to sit on the team bench under FIVB International Rule 4 must be registered on [VolleyZone](#).
- ii. All Bench Personnel (including Coaches) must register with Volleyball England in the Club's specific Team Roster on [VolleyZone](#) for their team.
- iii. Only a registered Coach with Volleyball England will be able to undertake the role of Coach during a match.
- iv. Should a registered Coach with VE not be available at the match then the team captain shall assume the role Coach, in this scenario the team captain must be selected as a Team Official on the Team Sheet (produced in [VolleyZone](#)). Any other authorised Bench Personnel may act only as an Assistant Coach, with the associated restrictions and limitations of duties.
- v. Technical and professional personnel from one club are permitted to form the authorised Bench Personnel of another club, providing they are registered as authorised Bench Personnel for the team/club they are to assist on their specific Team Roster on [VolleyZone](#), so that they can be selected into the matchday Team Sheet (produced in

[VolleyZone](#)), which must then be presented to the Scorer. Any Bench Personnel that are assisting at another club must have the written permission of their original club. To be able to assist another club, please email VolleyZone@volleyballengland.org with the details, so that a dual membership for the other club can be applied to your account [in VolleyZone](#).

- vi. Registered players who wish to assist another team/club as Bench Personnel are required to hold a Bench Personnel registration for the team(s) they will be assisting on their specific Team Roster in [VolleyZone](#), so that they can be selected into the matchday Team Sheet (produced in [VolleyZone](#)), and this must be presented to the Scorer. To be able to assist another club, please email VolleyZone@volleyballengland.org with the details, so that a dual membership for the other club can be applied to your account in [VolleyZone](#).

C 3. Transfers ([See Appendix A – Procedure for Player Transfers](#))

- i. Subject to the provisions below, players may transfer between clubs prior to 1st March each playing season. Only in exceptional circumstances will a player be allowed to transfer more than once during the NVL/K.O. Cup playing season. The NVL competition season shall run from 1st September to 31st August each year. Players who are playing up and reach 11 sets, are deemed to be automatically transferred to the higher team. It is the responsibility of the club to keep account of the number of sets each player plays up. This will also apply if this occurs after 1st March and will be an exception to the transfer deadline. Players having reached the maximum number of sets should be moved from one Team Roster to the other by the club in [VolleyZone](#).
- ii. Where a club has more than two teams playing in the NVL the player will be deemed to have transferred to the team for which they have played up most for. Players having reached the maximum number of sets should be moved from one Team Roster to the other by the club in [VolleyZone](#).
- iii. If a team or club withdraw from the NVL, its players are still deemed to belong to that club. Therefore, they need to transfer before being permitted to play for another club. This is to protect clubs and their assets.
- iv. Unless under contract, a player is deemed to become a free agent if they have not played in the NVL in the preceding two competition seasons and have no documented indebtedness to a previous NVL club. Teams are strongly advised to consult the available player registration information available from the [Volleyball England website](#) to confirm the status of a player.

v. International Transfers;

(1) Any player that has previously been registered with another Volleyball Federation above the age of 14 before being registered with Volleyball England will require an International Transfer. This includes players that have been registered to play in a volleyball competition (of any form) for a **club, team, school or other volleyball entity** with a Volleyball Federation outside of Volleyball England. The first Volleyball Federation a player has registered with above the age of 14 is called their **Federation of Origin**. A player's Federation of Origin may not coincide with the player's **nationality**.

(2) **International Transfers are bound by the Regulations set out by the FIVB.** International Transfers can be initiated by the Volleyball England Hub or the Receiving club. The player will be required to have a VIS profile created, please refer to our international transfers guide for details on how to obtain your VIS profile. The player's membership will only be activated once the International Transfer is completed, making them eligible for competition.

(3) Throughout the 24-25 season Volleyball England will be conducting random spot check to ensure that players are following regulations. **Any team found to play anyone who does not have the 'approved' International Transfer Certificate (ITC) for that team will be imposed with an £100.00 fine per ineligible player.** The International Transfer Certificate (ITC) is automatically sent to players once they have completed their international transfer via email.

(4) It is the responsibility of teams to ensure that any player requiring an International Transfer completes this before playing in the NVL.

(5) All Divisions within the NVL are bound by the FIVB International Transfer Regulations.

(6) Any team who play in any CEV European Competition are required to have International Transfers for all players that require them. This applies to all Volleyball England approved Competitions including the National Cup and Shield.

vi. National Transfers;

Clubs registering new players should always be aware of the possibility of the need to formally transfer, and should take the following steps:

- a) Establish from the player if they have ever been to any NVL club in the past. They may not have played, but could have registered, or simply been for training, and may have forgotten to return items.
- b) If they have been at previous NVL club(s), which are still in existence, contact the Club and obtain confirmation that they are in good standing i.e. they do not owe the club anything and are able to register for the new club.
- c) If they have been to previous NVL club(s), which are not in existence consult the available previous NVL registration data on the [Volleyball England website](#), and contact competitions@volleyballengland.org to clarify that no indebtedness or impediment has been lodged with the Volleyball England Hub.

Clubs playing ineligible players will be considered for disciplinary action. Clubs are advised to ensure they take all reasonable steps, as above, to ensure the eligibility of players being registered.

Players found to have documented indebtedness to previous NVL club(s), who seek current NVL registration, and who may not have provided the new club or Volleyball England with all material information may be liable to suspension from playing until the matter is resolved.

- vii. A club having 2 or more teams competing in the NVL shall be entitled to transfer player(s) between teams. Players transferred to the lower team within a club after the start of the competition season cannot use the playing up regulation. Transferring would be achieved by the club transferring the player from one Team Roster to another and paying the required Transfer fee (in [VolleyZone](#)).
- viii. Any player wishing to leave their club to take up a different post at another club (i.e., Coach etc.), may do so only with the agreement of the club holding their registration, and abide by the transfer provisions. Disputes will be referred to CWG for arbitration.

ix. Transfers will not be allowed if any of the following circumstances apply:

- (1) The player is under valid contract to the current club unless that contract is terminated by mutual consent ([See CONTRACTS Appendix B](#)).
- (2) The player has not discharged any documented indebtedness to the current club, e.g., subscription arrears (limited to one month's fees maximum), kit etc. Teams are advised to ensure that players are made fully aware of their commitments and fees due. These should be detailed in writing and signed by the player wherever possible to avoid any confusion or subsequent doubt arising.
- (3) The current club would be left with less than 8 available registered players during the NVL / K.O. Cup playing season.

Section D. Preparation for Matches

For all VE competitions, only equipment deemed suitable, fit for purpose and safe, or which has FIVB approval may be used unless the CWG gives prior agreement. Playing conditions must conform to those laid down in the current FIVB Official Volleyball Rule Book.

Any delay to the start of a match attributed to lack of equipment, the home team will be penalised in accordance with regulation [E 5. Late Arrival](#); this does not apply to equipment failures during the Warm-up or the match; these shall be dealt with in accordance with the Rules of the Game as Exceptional Delays.

Team Sheets (produced in VolleyZone)

Teams are to present the scorer with a Team Sheet (produced in [VolleyZone](#)) specifying Players Name, Shirt No. and Position, Captain and Libero and the numerical part of the VE registration number. Any Senior players that are playing up should be selectable through the Team Sheet (produced in [VolleyZone](#)).

Super League Only: Match Reports

Creating match reports is an important way of publicising your club's team and should be published across your social media platforms. A brief synopsis with available photos should be sent to communications@volleyballengland.org as soon as is possible after the match. The information will then be used as a round-up for the Super League on Monday or Tuesday following the match.

Video Capture of Match Footage (Hudl)

In the Super League the home team is required to capture the entire match footage and upload to the Hudl platform within 24 hours of the match start time. Further information will be provided Teams in a separate guidance document. VE will be able to use the footage for highlights on social media, and therefore we encourage all teams to upload the footage as soon as possible after matches. To avoid a single point of failure, the expectation is that both the home and away team record each match. Stats league tables will be produced and updated each game week, so it is in the interest of all teams to ensure that all matches are recorded and uploaded without fail. Please see the Hudl Rules and Regulations [here](#)

Non-compliance with the MOS will be subject to a fine under [Regulation G1](#).; repetitive non-compliance will be reviewed by the CWG.

D.4.1 Referees

- i. First Referee – qualified, registered
- ii. Second Referee – qualified, registered
- iii. Scorer – competent
- iv. Line Judges – competent
- v. Ball Retrievers – competent, preferably six, where used
- vi. The use of Referees who are directly connected with the teams playing is discouraged. Where used the connection should be noted in the confirmation to visiting teams. If requested a neutral referee should act as First Referee.
- vii. Where the NVL appointments Sub-Committee of the Officials Group has not appointed Referees for the match, the home team is responsible for appointing them, and should start this process after the playing season's fixtures and Referee appointments have been published. The Officials Group Appointment committee will continue to actively try and appoint Referees up to 4 weeks before the fixture is played; after that, the home team is solely responsible for sourcing Officials, except in cases where the match is only confirmed within that 4-week window (e.g., re-arrangements or Cup and Shield Fixtures). Where a team appoints its own Referee, they must notify the NVL Officials Group Member that the appointment has been made. The Referee must sign up for an account as a non-panel Referee to enable them to be assigned to the match. They must then undertake the responsibilities assigned to a Referee. If the visiting team objects to the Referee appointments made by the home team, then this should be referred to the NVL Officials Group Member.
- viii. Teams are not permitted to cancel any Referee appointed by the NVL Appointment Sub-Committee and appoint their own.
- ix. Details of Referee appointments are available from. Club / Team Secretaries must use the system when sending out appointment confirmations. Club / Team Secretaries are also responsible for ensuring that the details held on are correct and inform the NVL Officials Group Member or Volleyball England Hub as appropriate of any inaccuracies.
- x. In case of difficulty finding referees, clubs should use the 'Find a Ref' mechanism held on the Volleyball England Club Hub webpage to contact referees to request support for their fixture. The data within this webpage should be used for the sole purposes of finding a referee and should not be shared externally.

Evidence of the home teams' efforts to obtain referees must be made available to the Divisional Lead and the NVL Officials Group Member in case of a complaint

- xi. Where only 2 Officials have been appointed to a Triangular Fixture, they will be expected to officiate all 3 matches. If the home team wishes to officiate the middle Fixture, then

both Officials must be currently registered with VE, and the First Referee must be at least Grade 3 Regional.

- xii. If a home team has not been able to source two registered match officials, then they should notify their opponents, Divisional Lead and NVL Officials Group Member. Whilst it is always preferable to have registered officials it is recognised that there is insufficient referee availability on occasions. The home team should look to source a qualified referee to fulfil the fixture with someone who is not on the NVL Panel this competition season but may be officiating regularly in local leagues. Failing that the home team should source the most competent, experienced, and suitable person e.g., player or coach, to act as second official, again advising opposition and Divisional Lead. The Referee must sign up for an account as a non-panel Referee to enable them to be assigned to the match. They must then undertake the responsibilities assigned to a Referee.

Note. Referees who hold referee qualifications from other countries may become 'Volleyball England recognised' after applying to the OWG Lead. For overseas equivalency enquiries, please follow the information on the [Volleyball England website](#).

D 4.2. Expenses for Referees:

Section E. Arrangements at Matches

E 1. Regulations of play

- i. All matches will be played to the best of five sets (unless altered by the CWG prior to the match date).
- ii. The Rules of the Game that will apply to all competitions will be those currently issued by the [FIVB](#). In the event of a Regulation change being required in any competition, the CWG must first give agreement.
- iii. Except in exceptional circumstances, and with the express approval of the OWG, the Referees must hold recognised qualifications and be registered with VE.

E 2. Golden Set

- i. Where CWG have directed that a 2-legged match will be decided by a Golden Set then the following will be applied;
- ii. A Golden Set will only be played where each leg has been won by a different team. This is irrespective of any set or points difference between the 2 legs.

- iii. The Divisional Lead is to ensure that the Referee of the Second Leg knows who won the First Leg, so the requirement of the Golden Set may be determined.
- iv. The interval between the end of the Second Leg and the Golden Set shall be 5 minutes.
- v. The Golden Set shall be played as if it were the 5th Set of a normal game, i.e., first to 15 points with an advantage of 2. All other rules relating to a 5th Set shall be applied to the Golden Set.
- vi. Any sanctions applied in the Second Leg shall carry forward to the Golden Set.
- vii. The Golden Set Scoresheet is to be used – any players or Team Officials sanctions by disqualification in the Second Leg may not take part in the Golden Set, neither may any player who left the Second Leg through injury.
- viii. Equally any player or Team Official serving a suspension during the Second Leg may not take part in the Golden Set.

E 3. The Schedule

- i. The times listed on the VE website specify the match start time. The official warm-up period shall be 30 minutes before the match start time. The scoresheet shall record the time of first service.
- ii. Triangular Match Schedule.

The following will apply to matches that are headed accordingly in the match schedule, see below example of how matches could be scheduled:

Match	Timing	Example Warm up time	Example Start time
A vs B	In accordance with published warm up and start time.	12:00	12:30
B vs C	Warm up no later than 1 hour after first match start time.	13:30	14:00
A vs C	Warm up no later than 2 hours after first match start time.	14:30	15:00

Team A = Home team, Team B= Closest away team, Team C=Team with the most travel

- iii In the event that on arrival at the venue there has been a mistake with the venue booking then the home team has 1 Hour to arrange for the match warm-up to start at that venue or another one. If it is a Triangular Fixture, then the first match is defaulted after 1 Hour and they have a further 30 minutes to allow the warm-up of the Second match. If the home team is unable to book the requisite amount of time for the scheduled fixture(s) any uncompleted matches will be awarded to the opposition.

Note: As the home team alone is responsible for the venue and equipment, venue changes, double bookings, missing equipment will not normally be considered to be outside the control of the team.

E 4. Arrival of teams

- i. It is advised that a team allows an hour contingency plan whether travelling by public or own transport, with an arrival time of at least 30 minutes before the warm-up is due to start. Should a team not be able to fulfil its fixture, then a member of the team will need to contact the opposition as soon as possible, utilising numbers available on or website for Secretary, Coach, other personnel, and venue as required. Home teams should then advise the Referees, Volleyball England Hub and Divisional Lead immediately. Should a fixture not be played then the Divisional Lead shall consider the available evidence and rule as to whether the match should be replayed, forfeited, declared null and void and any sanctions applicable.
- ii. Where a problem arises on match day or on the way to the match, the team must make every effort to contact the opposition and Divisional Lead to explain and resolve the problem.
- iii. Where a team is delayed by factors that are wholly out of a team's control (e.g., public transport breakdown on the day) and can be backed up by professional and independent reports of confirmation (e.g., public transport company, Police, Motoring organisation, MET Office) indicating driving conditions and advice, this can be considered by the Divisional Lead as an extenuating circumstance. However, every attempt must be made to travel and play matches as scheduled. Additional travel time requirements would not be a reason not to play, and teams cannot “postpone” matches without the approval of the relevant Divisional Lead. Delays such as traffic problems, vehicle breakdowns (unless by public transport) are not normally considered

- as factors outside of a team's control. Teams are expected to inform the Divisional Lead, the home team and the Referees of the delay as soon as possible.
- iv. Away teams are responsible for planning their route of travel and are responsible for any charges or fines resulting from tolls, low emission or congestion charging zones.
 - v. If a fixture or competition is cancelled by VE then any expenses incurred by the participating Teams or Referees will not be refunded.

E 5. Late arrival

Providing the court is available, and one team is ready to commence play

- i. Any team failing to appear on court, ready to commence play, within 20 minutes of the published start time shall forfeit the first set. The set shall be lost 25-0. The time available up to the 20 minutes may be available for warm-up subject to agreement from the team already present and ready to play (who will have already warmed up for up to 30 minutes).
- ii. The second set shall commence 20 minutes later, i.e., 40 minutes after the published start time. A team arriving between the start times shall be able to use the available time for warm-up. If a team is not on court ready to play 40 minutes after the published start time, then they shall lose the second set 25-0.
- iii. The third set shall commence 20 minutes later, i.e., 60 minutes after the published start time. A team not on court ready to play at that time shall lose the third set 25-0, and thus loses the match 3-0.
- iv. The defaulting team may forfeit the match, be fined and lose league points consequently.
- v. The time should be taken from the referees if there is a dispute between teams over the exact time.

Note: If a team arrives (ready to play) 19 minutes after the official match start time they are still entitled to play the first set, but they forgo their warm-up, if however, the team arrives (ready to play) 20 minutes or later, after the official match time that team loses the first set 25-0. The late team could use the remaining minutes as warm-up before starting the second set if play commences within the 40 minutes of the scheduled match start time.

E 6. The Players

- i. Only players who are correctly registered with Volleyball England via may play in competitions.
Guidance on gender eligibility in Volleyball England competitions can be found in [Volleyball England's Transgender Policy](#).

Referees are not expected to prevent a player playing if the team believes him/her to be correctly registered, providing that the player's identity can be proven by suitable photographic identification. Should such a player play, this is at the team's own risk, since playing with an ineligible player will lead to forfeiting the match ([see v below](#)).

- ii. All players in a team, apart from the Libero(s), must wear a strip of identical colour and design with regulation size numbers on the front and back. The numbers 1-20 only may be used. The Libero(s) shall wear a different coloured, easily identifiable, numbered shirt (1-99); if a team has 2 Liberos, their shirts do not have to match each other. In all respects, kit must conform to VE Official Volleyball Rules requirements. Referees are empowered to prevent players from taking part in a match if they do not comply with this rule. If, however, the referee does allow the player to participate it should be indicated on the scoresheet.
- iii. Teams may register players on the day of the game via, providing that NVL Transfer and International Transfer regulations are adhered to. Players must be added to the Club's specific Team Roster for that team (or to another NVL Team within the Club, if Playing up) to be available to be selected on a Team Sheet (produced in).
- iv. NVL Player and Bench Personnel registration details as confirmed in the matchday Team Sheet (produced in) are to be presented to the Scorer at least 30 minutes prior to the start of the match. Referees must check identity and validity of Player and Bench Personnel registration details and note all irregularities on the scoresheet. A new Team Sheet (produced in) must be presented for every match.
- v. Any team found to have used ineligible players shall forfeit all matches in which such players have participated.

- vi. If a player is not physically present at the start of the match, when Referees check the identity of the players the following shall apply:
 - (1) Notice of the expected late arrival shall be given to the First Referee before the match begins.
 - (2) A player or coach who arrives during the match may not take part in the set-in progress; they may, however, be permitted to play/ coach in subsequent sets once their arrival has been properly recorded and their identity checked.
 - (3) If the expected player or coach does not arrive, this name should be deleted from the scoresheet.
- vii. Playing Up

- (1) A club, having two or more teams competing in the NVL, once having nominated players to its Team Rosters identifying which team each player belongs, shall be entitled to play a lower team player in that club's higher team for up to (and including) 11 sets during the current competition season (i.e., an appearance in that set whether for 1 point or the whole set and if a Libero player, whether they enter the court or not) without the necessity of transfer.

It is the club's responsibility to notify both Referees and Scorer before the start of the match as to which players are involved. If a player is found to have played for the lower team after passing the 11-set threshold, then that player will be considered an ineligible player, and the team will forfeit the game.

During the current competition season, any player playing up who reaches 11 sets, or more, during a match, will be deemed to be transferred to the higher team. This will also apply to matches after 1st March.

- (2) There is no restriction on the number of sets a junior player may play up (A player is deemed a junior if they are under the age of 18 on September 1st of the current competition season).
- (3) Note: 'Playing up' does not constitute a transfer, until 11 sets are reached. Cup tie provisions apply in all K.O. Cups.
- (4) A club having more than one team in the same division cannot use the playing up regulation. To change teams will require an official National transfer. This transfer will require the Club to move the player from on Team Roster to another and for the National Transfer Fee to be paid.
- (5) When a player is deemed to be transferred by the playing up regulation, they may no longer play up again for the remainder of the competition season.
- (6) Teams must inform the Referees and Scorer of the fact that a player is playing up and the number of sets that have already been played up (unless a junior).
- (7) The Scorers must record the playing up details on the Scoresheet.
- (8) The 1st Referee must record the playing up details in following the match.

E 7. Other Team Officials

- i. At all VE matches, a team shall nominate a Coach for the match. This can be either a Coach, who must be registered with VE as a Coach, or a playing member (of that team). They must be added to the Club's specific Team Roster, and then selected as a Team Official on the Team Sheet (produced in). Their name and registration number shall appear legibly on the scoresheet. Only a registered Coach with VE shall be recorded as Coach on the scoresheet and must present their Bench Personnel details.
- ii. In the absence of a registered Coach then the Team Captain shall assume the role. In this instance, the Team Captain must be added as a Team Official on the Team Sheet (produced in). Any other authorised Bench Personnel will only be able to act as Assistant Coach, with the associated restrictions and limitations.
- iii. A Coach from a team who wishes to act as Coach for another team must be as registered as a Bench Personnel for that team by being added to that Club's specific Team Roster, and then be selected as a Team Official on the Team Sheet (produced in [VolleyZone](#)). To be able to assist another club, please email VolleyZone@volleyballengland.org with the details, so that a dual membership for the other club can be applied to your account in.

- iv. Only team players and authorised Bench Personnel who are presented on the Team Sheet (produced in) may sit on the team bench during the match.
- v. All parties on a team bench are subject to the disciplinary code of the game and must have appropriate registration details present.
- vi. The nominated Coach must produce their coach registration details at all matches.
- vii. For all Cup Finals and Super League Finals all Team Officials requiring to sit on the bench must be suitably attired, i.e., Smart, Casual, **no Jeans**, matching training suits, suitable footwear i.e., Trainers, Shoes, no flip flops or open toe Sandals.

E 8. Match Officials

- i. Should only one of the appointed Referees arrive for the match, they will appoint a person to act as the second Referee. They will do this from any available persons based on qualification, registration, and competence.
- ii. Should neither of the appointed Referees arrive the home team will provide both Referees for the match, and the match will be played. The responsibility for selection of Referees under these circumstances' rests with the home team only. Again, the most appropriate persons must be appointed considering qualification, current registration, competence, and experience. A full report of the events should be sent to the Hub and the result will be considered by the CWG, in the light of qualifications/experience of the Referees used. Should a rematch be decided upon, the expenses may be borne by VE where VE appointed the Referees or by the home team where the home team were responsible for appointing the Referees.
- iii. Where any qualified Referee fails to appear at a match, then the home team shall, within 7 days, send a report to the Divisional Lead and the NVL Referee Liaison. Where an appointed referee fails to appear for a match without prior notice, this should be recorded on the scoresheet. Where an appointed official withdraws from a fixture, after giving notice, it is the responsibility of the home team to re-appoint Referees, after consultation with OWG.
- iv. The scorer must be available 30 minutes prior to the match start time and complete the whole match. The team lists on the scoresheet must be fully completed by the time the captains are called for the toss (at least 16 minutes before first service time). The scorer must complete the scoresheet before it is presented to officials for signature at the end of the match.

E 9. Bad Weather

- i. In the event of bad weather, teams should make every effort to play their fixtures whilst taking responsibility for their own safety. If either team feels they are unable to complete the fixture they must ensure they have professional and independent evidence (e.g., Weather (MET Office), Public transport company, Police, Motoring organisation, Sports Hall) indicating travel conditions and advice or hall closure notice. Teams are expected to call and email the opposition, the Referees and the relevant Divisional Lead as soon as possible and at the same time agree a date for the match to take place.

Section F. After the Match

F 1. Scoresheet and Match Day protocol

The 1st Referee will be required to;

- i. Notify by email the Hub via competitions@volleyballengland.org, The Referee Co-ordinator and the Divisional / Cup Lead if the match did not take place or that the match was unfinished.
- ii. Take a photo of the scoresheet and upload it through the (SportLoMo) Game Official App, by 10pm.
- iii. Submit the match scores (including set scores), and provide information on sanctions, Playing Up and MVPs, by 10pm.

F 2. The home team will be required to;

- i. Keep the hard copy of the scoresheet until the start of the following competition season in case of any queries.

If the appointed match official does not turn up on the day, then the photo of the scoresheet should be emailed to the Hub via competitions@volleyballengland.org

If there are any discrepancies with the results, contact; competitions@volleyballengland.org.

Note: This is required so that our communications team can produce weekend match reviews.

Section G. Penalties, Protests and Appeals

It is anticipated that teams will abide by both the letter and the spirit of these competition regulations, and the Official Volleyball Rules and that defeat will not be an excuse for making a complaint.

Before making any decision, CWG members, must declare an interest in any matter that they are remotely associated with.

Following the decision of the relevant Divisional Lead, all parties have a right to appeal the decision.

[See G 6.](#)

G 1. Penalties

Penalties can be applied to all breaches of the regulations. Where not actually stipulated in the regulations, the penalty will be determined by the Competitions Lead, for the event.

G 2. Administrative Disputes

Disputes relating to administrative matters and interpretation of competition regulations shall be the responsibility of the CWG.

- i. Disputes arise only where teams are unable to resolve difficulties amicably between themselves, and they are urged to make every endeavour to do so. It is intended that matches should be decided on the court of play. Therefore, in all but the most exceptional administrative cases, and unless a penalty is otherwise stipulated, any team found to have broken the regulations will be fined, and their match result may stand. However, teams must be aware that breaches of the Regulations may mean forfeiture of matches.
- ii. The CWG, has the right to deduct points, fine and suspend any team should the situation warrant it.

G 3. Technical Disputes

Those relating to the match itself under areas covered by the match Referees.

- i. If, prior to the start of a match, a dispute arises, this should be noted on the scoresheet by the Scorer (under the direction of the first referee) in the 'remarks' section before the match commences. If no such entry is made, it is assumed that up to that point all events and conditions are satisfactory. The referee may also note at this point any breaches of competition regulations.
- ii. If, during a match, a dispute arises, the first referee's decision is final. Any legitimate protest is to be recorded on the scoresheet after the end of the match by the scorer (under the direction of the first referee).
- iii. All disputes must be referred in writing to the Hub as soon as possible prior to the scheduled match date, or within five days after the match took place. Disputes beyond this period shall not be entertained.
- iv. A party to match wishing to make a protest should follow ([Regulation G.5](#))

G 4. Remarks on the Scoresheet

- i. Comments relating in any way to the competence of the match Referees must not be recorded on the scoresheet.
- ii. Any complaints about the competence of the officials must be forwarded within 5 days of the match:
 - (1) Where the Official(s) is/are unqualified, the relevant Competitions Lead will deal with the dispute.
 - (2) Where the Official(s) is/are qualified then any protest will be dealt with by the OWG. Any comments should be sent to the Hub.

G 5. Protests

- i. All disputes must be referred in writing to the Hub as soon as possible prior to the scheduled match date, or within five days after the match took place or when the decision was made. Disputes beyond this period shall not be entertained.
- ii. A party to a match wishing to make a protest to the Hub must also copy their protest to their opponents and the referees, within five working days of the match, so that they may give their account.
- iii. Following the submission of these documents a decision on the dispute will be made by the relevant Competitions Lead responsible.
- iv. Only disputes regarding the technical application of the Regulations and Rules will be considered. This does not cover the award of Red Cards.
- v. Any party that disagrees with the decision of the relevant Competitions Lead has the right to Appeal the decision.

G 6. Appeals

An appeal will only be considered if (acting reasonably) that one or more of the following grounds has been met:

- The decision of the relevant body was based on error of fact or could not have reasonably been reached by a relevant body when faced with the evidence before it;
- There was injustice because of a serious procedural or other irregularity in the proceedings before or during the relevant body; and/or
- The sanction imposed by the relevant body was manifestly unreasonable in the light of the facts presented to the body.

If significant and relevant new evidence has come to light which was not available before the conclusion of the findings from the relevant body but, had it been available, may have caused the relevant body to reach a materially different decision then the matter should first be re-visited by the relevant body before referral:

- i. On filing an appeal with the Hub against the decision of a Competitions Lead, a copy of the appeal shall be sent to any other affected party at the time of submission. A deposit of £100 must be paid when lodging any appeal, with such deposit to be returned if the appeal is successful. The Hub should give out the relevant documents to each affected party. No appeal will be considered unless a copy of the appeal submission and the £100 deposit is received by VE within the 14-day deadline.
- ii. The Hub will issue written confirmation of acceptance of the appeal.
- iii. The CWG will respond within 5 working days with details of the hearing, which will normally be a minimum of a further 10 days hence, to enable any documents to be submitted and circulated.
- iv. The appeal should be heard by the CWG within 28 days of receipt, and such appeal shall be chaired by the CWG Lead, or their appointed deputy, and each Divisional Lead shall be able to ask any party questions concerning the subject of the appeal.
- v. The appeal panel will normally consist of at least 3 CWG members who will either sit in person or by conference call. In exceptional circumstances the panel may sit with two CWG Leads. Any Lead with a personal or prejudicial interest will not be allowed to sit on the panel.
- vi. Any party to an appeal shall have the right to an oral hearing (face to face or via conference call).
- vii. Any party wishing to refer to any document or letter shall submit copies of such items to all parties concerned at least 7 days prior to the appeal being heard. All parties will have a right to reply within a deadline of 3 days
- viii. At the end of the appeal hearing, the Chair shall announce the decision, but shall be entitled to reserve the decision for further consideration and later announcement/communication to the parties.
- ix. Failure to comply with these procedures may result in a further fine being imposed by the CWG.
- x. No appeals of any description whatsoever shall be considered unless filed within 14 days of notification of the original decision and the relevant deposit paid. - xi. if the playing season has not completed normally then usually these gaps will be filled from teams that were previously in the higher division (however the CWG reserve the right to alter this if in their sole opinion this is unreasonable).
- xii. In the lowest division due teams entering and leaving there is often a need to rebalance the league geographically and numerically. Therefore, teams may find themselves in a different division that they might have expected. The CWG works hard to make this difficult decision based on geography, travel time, travel distance to make it as fair as possible on average for all teams and sometimes this means one team will end up with more travel but overall, for all teams there is less. Teams do not have the right to appeal in this case.
- xiii. All teams in a promotion position must take their place in the appropriate division if permitted to do so by other regulations. However, in exceptional circumstances the CWG may review the situation if a written submission is received by 8th April during the current competition season.

I 5. Teams within the same club

Volleyball England recognizes clubs' use of multiple teams in a hierarchical structure to develop their players. To improve the diversity and standard of teams in the NVL, **teams within the same club will no longer be permitted to compete in the same division of the NVL in the 2025-26 season.**

- i. Teams within the same club include all teams listed in the clubs' Team Rosters on VolleyZone. Any doubts over the affinity of teams in the NVL must be clarified with the CWG lead or the Volleyball England Competitions Team.
- ii. If promotion/relegation of teams result in teams of the same club competing in the same division the following season, the following outcomes will apply:
 - a. If the higher-level team is relegated; the lower-level team will be relegated to the next division below. If the lower-level team is in division 3, the team's entry to the NVL for the following season will be removed.
 - b. If the lower-level team is promoted; the lower-level team's promotion is void and promotion will be rewarded to the next placed team in the division.
 - c. If the higher-level team is relegated while the lower-level team is promoted; both teams' promotion and relegation will be void and teams will remain in their respective division.
- iii. Clubs with teams in Division 3 are not permitted to apply for an additional team entry as this would result in both teams in the same division.

		NOTE: (i) A captain still has the right to ask for separate warm-ups up to the time of the whistle to begin the warm-up. (ii) If it has not already been established teams should confirm whether they will be using a Libero and, if so, whether the Libero is likely to replace the team captain. In the latter case, it is helpful if referees are informed who is likely to be the game captain in such situations.
		The toss is taken in the presence of the two <i>team captains</i> . Each captain will be allocated a side of the coin which shall be caught and not allowed to hit the floor.
		After the toss, team captains go to the scorer's table to sign the scoresheet. The scorer is informed of the result of the toss.
e)	- 14 mins	Both coaches check and sign the scoresheet. <i>If they have not already done so, all players change into <u>full</u> playing kit prior to the net warm-up.</i>
f)	-13 mins	Presentation of teams. Teams to line up on the side lines near the scorer's table from the 3-metre line towards the respective baselines. Captain, followed by starting libero, then players in number order, and second libero. On the first referee whistle 14 players to enter the court lining up laterally in the middle of the court facing (the scorer table or the main TV camera). Referees to walk towards the first referee chair. The players of the two teams shake hands and return to their respective benches. Referees to return to the scorer's table.
g)	- 12 mins	Begin official net warm-up: this takes the format of 4 minutes through position 4, then 4 minutes through position 2, then 2 minutes serving – but this can be varied, if both teams agree.
		(If one team chooses to warm-up separately then the serving team will have the court for the first 5 minutes. The receiving team should remain at their bench. NOTE; They are not allowed to use balls or any part of the free zone for warming up.
		Coaches submit line up sheets for the first set to the second referee. <i>The line-up sheet</i> must have the <i>name of the team</i> and the <i>set number</i> and must be <i>signed by the coach</i> , not the assistant coach. <i>It is no longer obligatory to include the Libero on the line up sheet for the first set.</i> The 'Libero' is only excluded from the match if he/she is not named in the space provided on the scoresheet.

		Second referee ensures that the scorer has both team line-up sheets. Scorer must ensure each team does not see the opposition's line-up sheet or the line-up recorded on the scoresheet.
h)	- 2 mins	First referee whistles to signify the end of the warm-up. Referees ensure all is in order and ready for commencement of play. Line judges go to their positions.
i)	- 1 min	First referee goes to the stand. Second referee stands at the post on their side of the court. The first referee calls teams to line up on their baseline, then onto the court. Second referee checks each team's line up. Libero may not enter the court until his/her team line up has been checked.
j)	0 min	Start match.

Appendix E – Guidance in the event that a season ends prematurely

Although the exceptional circumstances may require the Competitions Working Group to modify the guidance below, we thought it important that teams are aware of how we would most likely treat this circumstance.

- a. Season likely to be completed if at least 60% of scheduled matches in all divisions have been played.
- b. All unplayed matches will be awarded as a draw.
- c. If the season is not completed there will be no promotion or relegation.
- d. For all Cup competitions unless the competition has reached the finals stage the competitions will likely be voided and no winners. If semis having been played, then teams will have the option to play the final; VE will support by trying to appoint referees and paying for those they appoint and providing medals.

Guidance notes to help with [Regulation A 5](#).

When requesting support from the Regional or Area association you should provide a copy of your completed NVL application form, so the association is aware of the full details of your application.

If a team already has a team in the NVL then they do not have to provide your club constitution (unless it has changed since the last team applied).

Please remember [Regulation H 5](#) if you are intending to have players that previously played for another NVL team.

Please ensure that if you have players that have played for another NVL team that the player has notified their previous team of their decision before adding their name to your application.
